The North Bucks Road Club's 2016 time trial season kicks off on 5th March, with a Come and Try It event on the Astwood circuit. All are welcome at all of our time trials - perhaps your members might be interested in giving time trialling a go! The event is using the BikeBus cafe between Cranfield and Astwood as the HQ, so we can have refreshments after the race. All our events can be entered on the line, with entry at £3 for NBRC members, £5 for non-members.

The event calendar is at <http://northbucksroadclub.org.uk/index.php/club-events/2015-club-events/777-club-event-calendar-2016>
