RIDE LEADER GROUP

A BIG thanks to all ride leaders!

Can you help? New ride leaders needed

As a growing club, we need an ever larger team of ride leaders so that we can expand our range of ride types and ensure there's always a leader ride available.

So, if you'd like to get more involved with the club and join our team of ride leaders, please could you let Paul Seaborn, our Ride Coordinator know.

It's only a small commitment, but can make a real difference to the club, so if it's something you'd like to do, please don't hesitate to get in touch.

GROUP RIDING

We need and want to:

- avoid conflict
- avoid inconveniencing other road users
- respect the highway code
- ride safely
- enjoy ourselves.

A group of cyclists in yellow and black jerseys are riding side-by-side on a road. They are wearing helmets and sunglasses. A white car is following them from behind. The background shows a grassy area with a wooden fence and trees.
